Earlier this year, one of Modest Needs' key employees and the person most directly responsible for compiling the information necessary to complete both the organization's external audit and this form was diagnosed with aggressive lymphoma and was forced to begin treatment for same, including several surgeries and extensive chemotherapy. The physical effects of the treatment were more intense than expected, and as a result, this employee was unable to work a full schedule for a substantial part of the year. Under these circumstances, it took longer than anticipated to compile and submit the materials necessary to ensure the accurate completion of this form and the organization's audit, and it is for this reason that the organization's Form 990 is being submitted later than had been anticipated. Obviously, the medical issued faced by this employee could not have been predicted, but we have now trained other of the organization's employees to compile information relevant to this submission and are confident that this issue will not recur in the future. We thank you in advance for your understanding.
